WANTED—Two apprentices to the printing business. Those who have some knowledge of type setting only need apply. Inquire at the clerk's desk or to the foreman in the news room.

Small Cylinder Hoe Printing Press for Sale.

The Democrat is printed upon a double cylinder Hoe press; and a single-cylinder press, formerly used by us, is offered for sale. It is of the largest size platen, and is perfect order, and will be sold at a bargain. Address publishers Democrat for particulars.

A SUGGESTION.—Now that it is ordered by the Provost Marshal General that the District Provost Marshals shall proceed to enroll negroes in Kentucky, we suggest that the enrolling officers name some suitable and convenient points where the owners of negroes can go and give in their lists. It seems to us that such a mode would be preferable, and certainly less offensive to our people. If there is no way to avoid such procedure, it strikes us that Kentucky farmers and others would promptly respond to such a call rather than to have the enrolling officer proceed from place to place among the negroes. In the discharge of their duty. Certainly they would rather furnish such lists than to have the officers of the law go among their slaves in executing the provisions of the enrollment bill. We have always opposed the policy of enlisting negroes, but if the thing cannot be avoided in Kentucky, we think slave-holders had better respond with their lists at designated points, and not compel enrolling officers to canvas the counties and districts.

## THREE BOYS ARRESTED FOR HIGHWAY ROBBERY.

The extent to which crime is increasing in the youth of our city is truly alarming, and one is startled with the daily record of hideous crimes committed by mere children; crimes which would disgraciate the darkest ages, and which form one of the blackest spots in the history of our city. In order to form some idea of the number of children of this city who are being rocked in the cradle of idleness, which is the mother of all crime, and who are being raised and taught in the school of dissipation and ruin, one has but to visit our police court from day to day, where they may see assigned on the criminal's bench boys from seven to fourteen years of age, charged with the most serious offenses known to the law. On Sunday evening last four boys, William Church, Mike Carroll, John Lahay and John Hunt, in broad daylight assassinated a little boy, whose name we did not learn, on Broadway, and by presenting a knife at his heart, made him give up what money he had, \$2. The facts were made known to Officer J. Cope, who arrested Wm. Church on Monday evening. Church, who is not more than twelve years old, was before the police court yesterday upon the charge of highway robbery. The evidence in the case was conclusive as to the guilt of the party, and showed a state of youthful depravity which distressed the hearts of all who have one spark of feeling for the youth of our city. This case furnishes another favorable argument for the House of Refuge, which should convince every citizen of the importance of taking such steps as will immediately result in the procurement of some suitable place for all boys who are allowed to run at large without restraint. If some effort is not made by the authorities, and some house specially fitted up for the above purpose, the boys of our city will become hopelessly ruined, and there will be reared in Louisville a set of men who will set all law at defiance. Last evening Officer Cope arrested Mike Carroll and John Lahay, who, in connection with Church, will be before the police court Wednesday morning to answer the charge of highway robbery.

Mrs. James H. Owen, of the Shelby-street Methodist Church, departed this life on Monday night, the 14th instant, after a short illness. She died as lived, a true Christian. It was our good fortune to be well acquainted with the deceased, both as a neighbor and Christian minister, and a finer man or more faithful pastor we never knew. He was gaunt, zealous, industrious and true. The Shelby-street Church and congregation have sustained an irreparable loss in the death of Mr. Owen. He leaves a wife and four children. We commend them to God and to the attention, sympathy and prayers of the church and virtuous public. Funeral services will be held in the Shelby-street Church on this afternoon at 2 o'clock.

REPORTED CHANGE IN THE MILITARY DEPARTMENT OF KENTUCKY.—It is currently reported, though no official information of the same has been received, that this State is to be divided into two military departments, to be known as Eastern and Western Kentucky. General Bruch, whose headquarters have been in this city, is to assume command of the Eastern Department, with his headquarters at Lexington, Nicholasville or Camp Nelson; and General Ewing is to assume command of the Western Department, with his headquarters on the line of the Nashville railroad, and we understand that this is the point selected.

POLICE PROCEEDINGS.—Tuesday, March 15. Richard Murray, drunkenness and disorderly conduct; \$100 to answer.

John Haiger, drunkenness and disorderly conduct, and abusing his family; fined \$5.

Oscar Powell, drunkenness and disorderly conduct; fined \$10, and bail in \$200 for three months.

Sussex, a shawm, three sheets, and a dress from H. I. Edwards, in Portland; discharged.

DESERTERS ARRESTED.—Not a day passes that a number of deserters are not arrested in the State and brought to this city. W. H. Wood, of company F, Sixth Kentucky, was arrested in Henry county, and W. Buler, of company M, Second Ohio, was arrested about twelve miles from the city. Both are now confined in the guard-house at the barracks, and will be tried by court martial here.

BARRACKS ITEM.—But a small amount of business was transacted at the Barracks yesterday. Two hundred and twenty-five recruits from Columbus, Ohio, and one hundred and eighty-six convalescents, from different points, on their return for their regiments, were the only arrivals. Fifty convalescents and two deserters were sent to Nashville.

Owing to the trains on the Ohio and Mississippi road failing to make connection with the Jeffersonville train at Seymour, we were without our Cincinnati papers last evening.

Elder David Walk will preach again this evening at 7½ o'clock in the church corner of Floyd and Chestnut streets. The public are invited to attend.

There was no business of importance transacted at the Provost Marshal's office yesterday.

The train from Nashville came in on time last evening. All was quiet along the line.

ARREST OF SUPPOSED COUNTERFEITERS.—THEY TURN OUT TO BE DETECTIVES.—News was received yesterday that some parties had passed counterfeit money at Jeffersontown, and that they had in their possession quantities of real treasury notes and counterfeit postage currency, with a view of circulating the same. The police, who are ever on the watch for cases of this kind, were immediately on the alert for the supposed counterfeiters. After diligent search they arrested three men, Theodore Goe, M. W. Goeb and Webb, alias Jones, and upon whom they found a number of one-dollar United States treasury notes raised to twentysix, and one dollar note on the Bank of Corydon, Ind., raised to a ten. They also had in their possession a quantity of counterfeit postal currency, and a plate for the manufacture of the fifty-cent postal currency. One of the party, Webb, alias Jones, had passed a one-dollar note on the Bank of Corydon, raised to a ten. The police were now confident that they had in their charge three notorious counterfeiters, and that they had at last discovered the parties who had been for some time past busily engaged in the circulation of counterfeit postal currency, but they were doomed to disappointment, for the supposed notorious counterfeiters, after their arrest, claimed to be secret detectives. A dispatch was sent to Indianapolis, inquiring about the parties arrested, when an answer was received stating that they were detectives, and that they were acting upon authority, and that the counterfeit plate had been given them by the proper authorities. The two Goes will be taken to Indianapolis in order that the genuines of the dispatch may be proven. Webb, alias Jones, who passed the raised note, is still held in custody. The case is involved in some mystery, but we give the above facts as we obtained them last night from officer Bligh.

COTTON MARTIAL.—The case of Thos. Caine, now of company L, Fifth Kentucky cavalry, but formerly of company G, Thirty-fourth Kentucky, charged with deserting his regiment while it was at Camp Chase, was disposed of before the court of which Lieut. Col. Vaughan is President.

The case of Haywood, of the Second Ohio Heavy Artillery, charged with mutiny, was also disposed of in court.

The findings and sentence in both cases has been sent for award.

The case of Lucas, Rogers, of the Second Ohio, for conduct unbecoming an officer and gentleman, will be investigated before this court to-day.

The court of which Lieut. Col. Johnson is President, was yesterday dissolved by order of Major Gen. Schofield. The court was reorganized with the same officers when the following business was transacted.

In the case of Lieut. Chas. Helton, the argument was heard, when the case was closed and their decision rendered.

The case of Timothy Fitzgerald, company I, Fifth invalid corps, charged with desertion was also disposed of.

The case of J. D. Geppen, Captain company G, Twentieth Kentucky, will be investigated before this court to-day.

ARREST OF A NOTORIOUS THIEF.—During the past month a number of houses on Broadway and other streets have been entered and robbed of silver ware and other articles of value, but no clue could be obtained as to who the thief was. During the time stated, the amount of silver ware lost by our citizens is valued at several thousand dollars. The man who committed these robberies had been seen to enter several houses on Broadway about the times the robberies were committed, and a description of the person was furnished to the police officers. Yesterday officer Bligh met a man on the street answering the description of the supposed thief. He accordingly arrested him, and taking the man to the persons from whom he had received a description of the thief, they immediately recognized him as the man. He gave his name as Joseph Snyder. Officer Bligh found upon his person a five dollar gold ring having the following inscription on the inside, "Remember Crawford," and also a heavy silver spoon, upon which there was no mark. None of the stolen property except that above mentioned has yet been recovered. Snyder will be before the police court this morning.

FARMERS' HOME ENTERED AND ROBBED.—THE THIEVES ARRESTED.—On Sunday night the Farmers' Home, on Market street, between Jackson and Preston, was entered, and a number of the borders robbed of various articles of clothing and two fine navy revolvers. On the same night the house of Mrs. Fisher, who resides on Gray street, was entered through the back door, and a trunk containing \$100 in specie stolen. Yesterday officer Bligh, Hazzell and Shanks, who had been informed of the robbery, arrested two men—Samuel Stout and Lee Miller—as the parties who committed the robbery. At the time they were arrested they had in their possession one coat, one pair of boots and two navy revolvers, which were stolen from the Farmers' Home on Sunday night. These men had been to the house of Mrs. Fisher on the night the robbery was committed, and there is but little doubt that they are the persons who stole the \$100 in specie, though none of the stolen money was found. The parties will have a hearing before Judge Johnson this morning.

REPORT OF SEVENTY-FOUR DOLLARS.—Yesterday morning William Von Reeder was robbed of seventy-four dollars by Fred Cole, President of the Southern Bank of Kentucky, giving notice to the stock-holders that a general instalment of twenty-four dollars in cold cash will be paid them on delivery of their certificates at the principal bank, or at the Citizens' Bank in Louisville.

POLICE PROCEEDINGS.—Tuesday, March 15. Richard Murray, drunkenness and disorderly conduct; \$100 to answer.

John Haiger, drunkenness and disorderly conduct, and abusing his family; fined \$5.

Oscar Powell, drunkenness and disorderly conduct; fined \$10, and bail in \$200 for three months.

Sussex, a shawm, three sheets, and a dress from H. I. Edwards, in Portland; discharged.

ENLISTED VETERANS.—The following regiments of re-enlisted veterans, who have been home on furlough, where they have spent a pleasant and agreeable time with friends and relatives, arrived yesterday, on our furloughed home for the front: Second Minnesota, four hundred strong; Third Ohio cavalry, two hundred and forty-nine strong, and the Forty-second Indiana. The two latter left for the front yesterday, and the former will leave this evening.

The New Albany Ledger says that George and William Harrington, of this city, entered the saloon of Capt. Knapp, in that place, yesterday, and attempted to pass a counterfeit bill. The bill was refused, whereupon the Harringtons commenced firing upon the occupants of the house with a pistol. They then left the house, but Capt. K. took his gun and pursued, and arrested both of them.

LARGE SALE OF TOBACCO.—Messrs. Spratt & Co. sold yesterday one hundred and thirty-four hogsheads of tobacco at excellent prices.
